### MEDICAL WORK

#### 1) MEDICAL CLINIC (OPD)-

A) Kelwad (Tal- Rahata)

B) Adgaon (Tal- Rahata)

Dist- Ahmednagar.

We have proud that, we treat and he cure. We are running a small extension OPD for the Benefit of adigends and poor people the purpose of the dispensary to provide the moderate and charitable treatment. Those who are coming without pathological and others report. We are examining them freely. The purpose of OPD the patient should not suffered he must get treatment on the spot along with the proper and diagnostic. We are removing the blind faith from there mind.

For Example –

- 1) Snake bite
- 2) Scorpion bite
- 3) Dog bite
- 4) Human bite
- 5) Insect bite

The village people never take the treatment for all this under the blind faith and the results are very bad now we have stop the this mal blind faith practices the OPD is converting their mind this is the main advantages of OPD

The need of people we recognized and studied they do not have the money to proceed other hospital or other clinic due to the paucity of money but we are giving financial for them Daily in the OPD we are treating male, female, child and old age person nearly 50 to 60 the patient. The need of OPD is very essential because BPL People cannot effort elsewhere and financial problem is more for them. So, the establishment of this OPD under the charity we are giving all free medical services. Very less amount taken for each patient. For pre and primary treatment.
